Personal Data Handling Policy

I, the undersigned,

authorize the Organizers of the 2023 edition of the Pisa Robot Film Festival to handle my personal data as per EE art. 14 EU Regulation 679/2016 ("GDPR") and Italian legislative decree "d. lgs. 30 June 2003, n. 196" on the protection of personal data". Pisa Robot Film Festival 2023 (Data Handling Holder) informs the participants included in the selection that the use of the personal data supplied by them in the submission application for participation in Pisa Robot Film Festival 2023, or information in any way acquired for this purpose, is directed towards the fulfillment of the above mentioned selection, in all its phases, including the various connected initiatives.

The acquisition of the participants' personal data is an absolute prerequisite to evaluate the requirements for the attendance to Pisa Robot Film Festival 2023 according to this Regulations document, including the event organization, also with the assistance of collaborators. The lack of required personal data or their incomplete submission may invalidate the selection and the attendance to all initiatives linked to Pisa Robot Film Festival 2023.

Date and signature.....

Acceptance of regulation

I, the undersigned,

declare I have read the Pisa Robot Film Festival 2023 Regulations and agree to abide by all of them in their entirety.
